

CELLULAR TELEPHONE SERVICES

Cellular Telephone Service in accordance with the Resellers Agreement, which may have terms and conditions of service in addition to, but not inconsistent with, those of this tariff.

- B. Cellular Numbers will be provided to Resellers only in blocks of 50 numbers until a total of 100 numbers have been purchased and in blocks of at least 10 numbers thereafter.
- C. Each block of Cellular Numbers provided to a Reseller will be purchased for a period of one (1) year commencing on the date that such block was made available by the Company to the Reseller and each block of Cellular Numbers will be automatically extended for additional one (1) year periods unless the Reseller gives written notice to the Company of its intention not to renew at least ninety (90) days prior to the expiration of the current term.
- D. Cellular Numbers within blocks of Cellular Numbers purchased by a Reseller will be activated by the Company within one working day by the Company after the Reseller requests activation by notifying the Company of the manufacturer, model number, FCC type number, and serial number of the Cellular Telephone of an Authorized User to which Cellular Telephone Service is to be provided. Activation of a Cellular Number by the Company means (a) notifying a Reseller of a ten-digit Cellular Number unique to that number and (b) commencing Cellular Telephone Service to the Cellular Telephone whose serial number and other information was communicated by the Reseller.

CELLULAR TELEPHONE SERVICES

- E. The Company may provide Cellular Telephone Services at a retail rate to the general public on its own account. Resellers shall not directly or indirectly interfere with the efforts of the Company to attract its own retail customers and shall not directly or indirectly interfere or attempt to interfere with the relationship between the Company and any of its Users. The Company will not directly or indirectly interfere with the Reseller's efforts to attract its own Authorized Users and shall not directly or indirectly interfere or attempt to interfere with the relationship between the Reseller and any of its Authorized Users.
- F. All billing by the Company is to the Reseller. Billing for access and usage will be made monthly in advance of service. 100 minutes of usage calculated in accordance with Section 2.5.5.B per Cellular Number will be billed in advance for each Cellular Number when activated for the use of Authorized Users, with 80% billed at the peak rate and 20% at off-peak. If the Authorized User's actual usage charges for a month differ from the amount billed in advance, the Reseller will be billed or credited the difference, subject to paragraph 2.5.3, depending on whether actual usage charges are more or less than that billed in advance.

2.5.2 Service Order Charge

2.5.3 Minimum Charges; Deposits

- A. Each purchase of a block of Cellular Numbers must be accompanied by payment of a non-refundable deposit of \$50.00 for each of the Cellular Numbers in that block. In the case of each such Cellular Number activated within sixty (60) days after the block was made available to the Reseller, such deposit will be applied against the charges incurred by the Authorized User for each such Cellular Number. Such application will be reflected on the Reseller's first bill on which charges for each such Cellular Number appear. If a Cellular Number is not activated within such sixty (60) day period, then such deposit shall be forfeited to the Company.
- B. Each Cellular Number not activated within sixty (60) days after a block of Cellular Numbers is purchased shall begin incurring Cellular Number charges beginning on the 61st day after which the block was purchased, pursuant to the paragraph 2.5.4.B for each such number which has not been activated. Thereafter, such charges shall continue until termination of the contract pursuant to which such number was
